Take the cyberbully quiz

Rate each question 0 (never), 1 (occasionally), 2 (sometimes), or 3 (frequently)

Have you ever...

- pretended to be someone else while online?
- signed online with someone else's password or screen name?
- forwarded a private e-mail or IM conversation without the other's permission?
- used bad or inappropriate language while online?
- posted rude things or even lies about someone online?
- teased or harassed anyone online?
- posted pictures or information about someone online without their permission?
- Created an Internet "poll" online about someone without their permission?
- sent rude or inappropriate things to someone, even if you were just joking?
- signed someone else up for something online without their permission?
- insulted someone in a chat or interactive game room?
- posted to a guest book, blog, or online graffiti wall saying rude or mean things?

How did you score?

0-5 points – Congratulations! You're cyber-responsible.

6-10 points – Be careful! You're cyber-risky. Remember to consider other's feelings

11-20 points – Caution! You're cyber-abusing your online privileges. Be more responsible while using the Internet.

21 points and higher – Yikes! You're a cyber bully. Understand that you can change your online habits and think how it may feel to be the victim of online harassment
